

## DELTA Short-Run Packaging System

### Lease it. Finance it.

In our steady effort to make Delta Engineering Systems more affordable, we now offer alternative financing options.

Our programs are available through Diversified Capital Credit Corp. (DCC), which specializes in aggressive lease, finance and rental plans for Delta's customers.

### Protect Cash flow and Preserve Bank Lines of Credit.

Scheduled monthly payments will help you better manage your cash flow while allowing you to save your bank line for variable costs in your business.

Below, you will find two payment plans that might make buying your DELTA Short-Run Packaging System more convenient.

But, make no mistake about it. These are just two of the options available. DCC will put together a plan that works best for each of Delta's customers, because we want to know what works best for you.

<u>Term</u>	<u>*Payment</u>	<u>Buyout</u>
36 month	Call for rates	\$1.00
60 month	Call for rates	\$1.00

*\*A credit application is required; All plans are subject to credit approval by DCC*
